

Shayan Souratgar

Personal Information

Gender	Male
Date of Birth	16/12/1999
TEL	086-32789020
Phone number	09185271610
Email	shsooratgar@aut.ac.ir

Education

2018 - Present **B.Sc. Computer Engineering**

Amirkabir University of Technology (Tehran Polytechnic), Tehran, Iran

2014-2018 **Diploma in Physics and Mathematics Discipline**

Allame Helli High School (National Organization for Development of Exceptional Talents)

Arak, Iran

Research Interests

Data Science

Natural Language Processing

Electronic Commerce

Skills

Major Courses Undertaken:

Information Retrieval

Principles of Computational Intelligence

Signals and Systems

Algorithm Design

Principles & Applications of Artificial Intelligence

Programming Languages:

Python *proficient*

*(Familiar with numpy , matplotlib, pandas ,TensorFlow ,
BeautifulSoup)*

Java *proficient*

Assembly *Elementary*

Technical Software:

Vmware

Capture CIS(Orcad)

Proteus

Arduino

Languages:

Persian *Native*

English *Advanced (Certificate from International Language Center of Amirkabir
University)*

Work and Research Experience

[Kahkeshan Rayaneh Alvand](#)

2020 (June – September)

Installation and Support of Structured Cabling, Surveillance Systems and Data Centers

Keratoconus Detection Using Machine Learning

(Final Project of Technical Research course)

2021

Supervisor Prof. Safabakhsh

Honors

Ranked 1712 of University Entrance Exam(Konkur)

Acceptance in Allame Helli High School (National Organization for Development of Exceptional Talents)
